History

**Rev. Mother Theonymphie
Foundress of St. Mary of Egypt**

† September 1, 2013

St. Mary of Egypt was founded in 1992 as a charitable organization to serve the poor with the blessing of His Eminence Metropolitan Maximos of Pittsburgh and under the direction of Sister Triantaphyllitsa Vasilakis, who was tonsured to the Small Schema in 2000 as Mother Theonymphie. Since its founding, St. Mary of Egypt has undergone several name changes, while operating under the vision first established in 1993: **“To provide charitable and humane assistance to the needy.”** Our organization was initially conceived as a charity directing aid to women and children; however, from the beginning, help was also extended to men, elderly and families. In 2000, the St. Mary of Egypt Orthodox Mission acquired the title Mission & Monastery.

2014 was a year of transition for the Mission. Mother Theonymphie, our Abbess and director, was tonsured to the Great Schema in August 2013, and fell asleep in the Lord on September 1, 2013. The Board was then restructured and bylaws rewritten to support our change from a monastery-based mission to a lay Orthodox organization.

On March 3, 2014, St. Mary of Egypt Orthodox Mission and Chapel became our official name, as registered with the Ohio Secretary of State.

An anonymous major donor underwrote the purchase of an abandoned warehouse and established a fund for repair and maintenance. **The St. Mary of Egypt and St. Michael Orthodox Center** opened with distribution on January 18, 2014.

The St. Mary of Egypt Chapel Program

In April 2014, His Eminence Metropolitan Savas of Pittsburgh gave his blessing to and offered annual review of the charitable work of the Mission. His Eminence appointed the St. Mary of Egypt Chapel to be a canonical spiritual dependency of the Annunciation Church in Cleveland. Six months later, the Chapel was moved to a side foyer of the church at 2187 W. 14th Street.

In 2023, with the full support of Mr. Mark Fourtounis, the Chapel was newly constructed in a lower room of the education building in memory of Mother Theonymphie and in honor of Mark's parents, +Manolis and Marika. The new Chapel was dedicated on September 2, 2023.

Services in the Chapel are sponsored by St. Mary of Egypt and by Annunciation Church.

The St. Mary of Egypt Outreach Program

St. Mary of Egypt has been a member of the **Greater Cleveland Food Bank** (GCFB) since 1997. A variety of canned goods and other shelf-stable food items, fresh produce, frozen meats, and breads are regularly purchased from the Food Bank, supplemented by other local donors, and distributed every month. Interim emergency distribution is arranged as needed. Over the past twenty-eight years, thanks to loyal donors and volunteers, we have distributed over **1,000,000 lbs.** of food.

Since the beginning of the pandemic in early 2020, the number of food-insecure households has increased dramatically. In response, St. Mary of Egypt Mission increased our **emergency availability**, and developed an effective **drive-thru method** of distribution. We have had a marked increase in young volunteers in this period.

Our phone lines are open 24 hours a day for emergency food requests and to provide referrals to other agencies for assistance.

The Greater Cleveland Food Bank Report

In 2024, **over 80,000 lbs. of food** were purchased from the GCFB, including over 19,000 lbs. of fresh produce. Many additional pounds were contributed by other donors. This resulted in **over 67,000 meals served** last year.

See the chart below for our service to the community over the past three years (note an 87% increase).

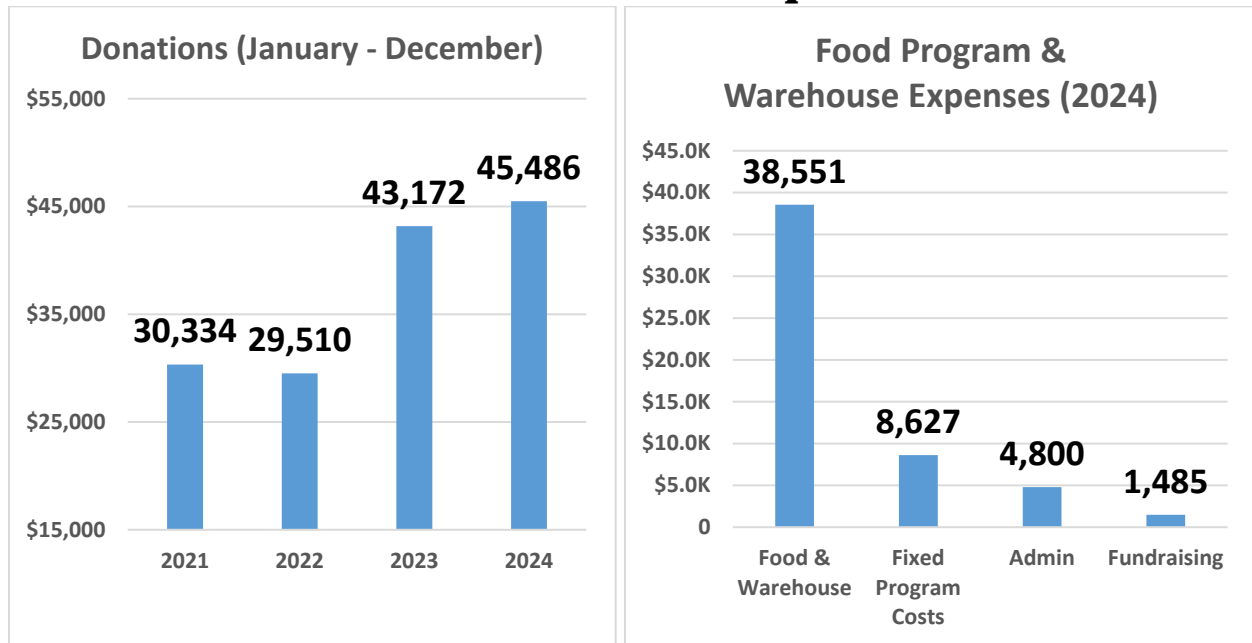

| Calendar Year Statistics | <u>2022</u> | <u>2023</u> | <u>2024</u> |
|---------------------------|--------------|--------------|--------------|
| Individuals Served | 3,347 | 5,332 | 6,243 |

Six-Year Client Report

The Food Bank plays a significant role in supervising our outreach program. They monitor the quality of food they provide, passing regular governmental inspections of their central facility. In turn, they set standards for their partner agencies. They hold annual site visits to inspect our facility and offer suggestions to guide our improvement.

2024 Financial Report

Fixed program costs include vehicle expenses, our 24-hour emergency hotline service, and taxes & fees.

As reported by Charity Navigator, a typical charity “should spend no more than 25% of their total expenses on administrative...and fundraising costs combined” (CharityNavigator.org). St. Mary of Egypt has met this standard, with **88%** of donations going towards our programs and related operations. Direct donations provided for most of our operating expenses in 2024. We rely on your generous financial support to sustain our outreach ministry.
